

### **REMARKS**

Claims 1-8 are now pending in the application. Claims 1-8 have been amended. Support for the foregoing amendments can be found throughout the specification, drawings, and claims as originally filed. The Examiner is respectfully requested to reconsider and withdraw the rejections in view of the amendments and remarks contained herein.

### **REJECTION UNDER 35 U.S.C. § 112**

Claims 1-8 stand rejected under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point and distinctly claim the subject matter which Applicant regards as the invention. This rejection is respectfully traversed.

Applicant has amended claims 1-8 to address this rejection. Therefore, reconsideration and withdrawal of this rejection are respectfully requested.

### **ALLOWABLE SUBJECT MATTER**

The Examiner states that claims 1-8 would be allowable if rewritten or amended to overcome the rejections under 35 U.S.C. § 112, 2nd paragraph. Applicant has amended claims 1-8 to address the rejection. Therefore, claims 1-8 should now be in condition for allowance.

### **CONCLUSION**

It is believed that all of the stated grounds of rejection have been properly traversed, accommodated, or rendered moot. Applicant therefore respectfully requests

that the Examiner reconsider and withdraw all presently outstanding rejections. It is believed that a full and complete response has been made to the outstanding Office Action and the present application is in condition for allowance. Thus, prompt and favorable consideration of this amendment is respectfully requested. If the Examiner believes that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (248) 641-1600.

Respectfully submitted,
